## INTRODUCTION OF GLEN WARD

**Before I introduce our speaker, I would like to ask you to please make sure you have silenced your cell phones. Thank you!**

**When our committee met to plan this portion of our program, we decided we wanted to invite a speaker who would entertain us and, at the same time, give us something inspirational to take home. I am very pleased to tell you that we have found that combination in Glen Ward.**

**Glen comes to us from Columbia, South Carolina, where he lives with his wife, Denise, and their two children.**

**According to his website, he addresses audiences all across America as a full-time, professional humorist and inspirational speaker.**

**I feel sure you will enjoy his impersonations of political figures as well as his singing voice as he impersonates well-known musical celebrities. I am also hoping he will share with us some of his childhood stories of growing up in a minister's home.**

**You are really in for a treat, so, please sit back, relax, and let's have a good time with our speaker, Glen Ward.**
