

INTRODUCTION OF GLEN WARD

Before I introduce our speaker, I would like to ask you to make sure you have silenced your cell phones. Thank you!

When our committee met to plan this portion of our program, we decided we wanted to invite a speaker who would entertain us and, at the same time, give us something inspirational to take home. I am very pleased to tell you that we have found that combination in Glen Ward.

According to his website, he addresses audiences all across America as a full-time, professional humorist and inspirational speaker.

I feel sure you will enjoy his impersonations as well as his singing voice. I am also hoping he will share with us some of his childhood stories of growing up in a minister's home.

You are really in for a treat, so, please sit back, relax, and let's have a good time with our speaker, Glen Ward.
